- Questions? Call MVP at (408) 586-3207.

***Join us October 12 and help keep our schools beautiful!
LET'S TAKE PRIDE IN OUR NEIGHBORHOODS!***

Keep your neighborhood beautiful with the Yard Trimmings Recycling Program!
(Over for set-out instructions)

How To Set Out Your Yard Trimmings

- ✓ Place your BFI yard trims cart on the street, in front of the curb, lid closed.
- ✓ Place extra trims in a clean, 32-gallon garbage can. Place the can on the curb, not on the street. (There's a 75 lb. weight limit per 32-gallon can).
- ✓ Remember, your yard trims cart must be set out with extra yard trims cans and bundles in order for both to be collected. Automated trucks use a hydraulic arm to lift the 96-gallon BFI cart.

Additional Information for Extra Yard Trims

- ✓ Attach a free sticker from BFI on your clean, extra yard trims can. Face sticker towards the street. (For extra stickers, please call BFI: **408-432-1234**, **TDD 1-877-463-1066**.)
- ✓ For tree trims and brush not fitting in the cart, tie with twine into five-foot bundles and place on the curb, not on the street. (Please try to keep bundle diameter no larger than the width of your yard trims cart).

REMINDER

- ✓ Grass clippings, brush, weeds, leaves, pruning, tree trims and trunks (less than 6" in diameter and 5' in length) **ARE ACCEPTED** as yard trimmings.
- ✓ Rocks, concrete, sod, dirt, plastic bags, loose fruit or vegetables and pet waste are **NOT ACCEPTED** as yard trimmings.

Place Recycling Bins at the Curb
